

Corsair 24 Mk II Pocket Cruiser

2008 Pricing Information Ex-factory

The Corsair 24 is compact, easily trailerable, & ideal for camp-style cruising & day sailing. It is tough, lightweight, sporty, exceptionally fast, responsive & safe. Well-proven, the Corsair 24 incorporates innovative folding, rigging & accommodation features, making it versatile, easy to sail & maintain & very affordable to own. With its open-space cabin, optional cruising amenities, & spacious decks & nets, the Corsair 24 is a highly mobile pocket cruiser; but it's the amazing performance—with 20-knots plus speed capability—that sets the Corsair 24 apart. With the optional bowsprit installed, the Corsair 24 can fly an easy-to-handle asymmetrical spinnaker or screacher for exhilarating performance at a high plane.

The base boat includes all the following features:

- Large roomy cabin with standing headroom under pop-top companionway hatch
- Interior carpet liner, cloud
- Light weight folding system
- Anodized aluminum rotating mast with main & jib halyards, sheave boxes for spinnaker and screacher halyards, two Halyard clutches; stainless steel standing rigging; roller boom with reefing line, 6:1 cunningham & 6:1 internal outhaul tackle; Harken B16.2A main winches with 8" winch handle; Hexa-cat™ 5:1 mainsheet system; Harken traveler with 2:1 control tackle, jib sheet leads & tracks
- Retractable dagger board. Rudder with laminated wood tiller
- Grey wing & bow nets, hiking straps
- Lifting eyes
- Pulpit
- Tinted polycarbonate cabin windows & hatch boards
- All models have a molded in safety compartment for safety equipment & other storage compartments inside & out
- Sailing manual

Base Boat US\$52,990
