

Corsair Sprint 750 One-Design Day Sailor

2008 Pricing Information Ex-factory

The Corsair Sprint 750 is compact, easily trailerable & ideal for camp-style cruising & one-design or PHRF racing. It is tough, lightweight, sporty, exceptionally fast, responsive & safe. Developed from an evolution of the well-proven Corsair 24, it incorporates innovative folding, rigging & accommodation features, making it versatile, easy to sail & maintain, & especially affordable to own. With its huge cockpit, optional cockpit cabin, & spacious decks & nets, the Corsair Sprint 750 is a highly mobile pocket cruiser; but it's the amazing performance—with 20-knots plus speed capability—that sets the Corsair Sprint 750 apart. Even in the toughest conditions you only need a crew of two to obtain top racing performance. The Corsair Sprint 750 will have an active one-design racing class association and is destined to become a favorite one-design racer.

The base boat includes all the following features:

- Small cabin with a huge cockpit
- One double bunk with head area that has been designed to accommodate a port-a-potty
- Interior carpet liner, cloud
- Lightweight folding system
- Rotating aluminum wing mast with main, jib and spinnaker halyards. Two Harken 16 winches, three halyard clutches; stainless steel forestay and shrouds; roller boom, 5:1 cunningham & 6:1 internal outhaul tackle; Hex-a-cat™ 6:1 mainsheet system; traveler with 2:1 control tackle; jib sheet leads & tracks
- Spinnaker control kit, includes aluminum bowsprit, sheets, fairlead blocks, halyard, halyard clutch, tackline, tackline clutch, 8" winch handle, cockpit winch handle pocket, & cam cleats
- Anchor well with hatch, lifting eyes
- Retractable dagger board & dagger type rudder
- Grey wing nets with hiking straps & bow pulpit
- Roller furling boom for mainsail
- All models have a molded in safety compartment for safety equipment & other storage compartments inside & out
- Tool kit with spare hardware items
- Sailing Manual & Class Rules
