

NEW FOR 2009! Corsair 24RS Pocket Cruiser

2009 Specification

The New Corsair 24RS is compact, easily trailerable, & ideal for camp-style cruising & day sailing. It is tough, lightweight, sporty, exceptionally fast, responsive & safe. Developed from the well-proven Corsair 24 Mk II, this new model incorporates the same innovative folding, rigging & accommodation features of the previous model, with a modern rotating wing section mast, retractable alloy bowsprit and modern allow dagger board and dagger rudder. With its open-space cabin, optional cruising amenities, & spacious decks & nets, the Corsair 24RS is a highly mobile pocket cruiser; but it's the amazing performance—with 20-knots plus speed capability—that sets the Corsair 24 apart. The Corsair 24RS can fly an easy-to-handle asymmetrical spinnaker or screecher for exhilarating performance at a high plane.

The base boat includes all the following features:

- Large roomy cabin with standing headroom under pop-top companionway hatch
- Interior carpet liner and cushions
- Rotating aluminum wing mast with synthetic shrouds and bobstay, main, jib, screecher and spinnaker halyards. Two Harken 16 self tailing primary winches, four halyard clutches; stainless steel forestay; roller boom, 5:1 cunningham & 6:1 internal outhaul tackle; Hex-a-cat™ 6:1 mainsheet system; traveler with 2:1 control tackle; jib sheet leads & tracks, screecher sheet tracks
- Foredeck and float hatches
- Spinnaker hardware, including retractable aluminum bowsprit, two Harken 16A coaming winches, fairlead blocks, halyard, halyard clutch, tackline clutch & cam cleats
- Electrical Package with 8 circuit switch panel, bow & stern light, interior light, lighter socket and battery switch
- Bulkhead mounted compass
- Sports 3 rung boarding ladder with transom mounting
- Anchor well with hatch
- Lifting eyes
- Retractable dagger board & dagger type rudder
- Grey wing and bow nets with hiking straps & bow pulpit
- All models have a molded in safety compartment for safety equipment & other storage compartments inside & out
- Tool kit with spare hardware items
- Sailing Manual & Class Rules

Base Boat US\$62,990 Ex-works until 31 October 2008
