

## Corsair 37 Blue Water Cruiser

### 2008 Pricing Information Ex-factory

---

The Corsair 37 offers all the comforts of a cruising monohull, the flat sailing of a big catamaran & the speed, safety & unsinkability of a Corsair Trimaran. Our new Corsair 37 is engineered & designed with the serious blue water cruiser in mind. The Corsair 37 features a shallow draft with retractable dagger board & rudder for exploring, an aluminum rotating wing mast, & quality deck hardware. It boasts an intelligently designed deck layout, with halyards, topping lift, reefing and outhaul controlled at the mast. All control lines aft to the cockpit for ease of sail handling & control. The interior of this new & larger Corsair brings more of the amenities you've come to expect from our larger boats: a functional yet spacious galley, ample cabinet and storage space, comfortable curved settee with seating for six, enclosed head with molded in vanity with sink and shower attachment. Forward a spacious v-berth easily sleeps two adults in unmatched comfort. Additional sleeping accommodations for two in spacious aft-cabin; dining area converts to additional bunk in main cabin.

#### Base Boat package includes all the following features:

- Lightweight aluminum folding system
- Engine Honda 20hp, 4 stroke, installed on transom bracket with electric start, power tilt and tiller-link steering.
- Rotating aluminum wing section mast, with main & jib halyards; carbon boom with internal outhaul & in-boom hardware for jiffy or slab reefing; stainless steel wire standing rigging; two Harken B40.2 STA primary winches on cabin top; two 10" handles; two Harken B32.2 STA halyard winches on mast with two Spin lock XCS rope clutches; two Harken 40.2A main sheet winches; 6:1 Harken traveler control; one Harken Big Boat Series traveler car; two jib sheets, headsail roller furling unit.
- One foredeck hatch, two 10x10 main cabin hatches (one in head area, one in main cabin); one hatch on each float (ama), escape hatch in aft cabin.
- Self-draining anchor locker
- Electrical system with breaker panel, test meter, 12V accessory outlet & dual battery selector switch; navigation, foredeck & cabin light
- Compass and VHF mast head antenna
- Tinted polycarbonate cabin windows & hatch boards
- Two cockpit storage compartments
- Pulpit & stern rails with custom seating
- Wing & bow nets
- Built in 12v refrigeration
- Main cabin galley area with two-burner propane stove & stainless-steel sink
- Fully-enclosed head compartment with vanity and shower
